Message from Administration

Dear St. Lorenzo Families,

As we celebrate this joyful Christmas season, We want to take a moment to express our heartfelt gratitude to each of you for your continued support, love, and dedication to our school community. This time of year reminds us of the importance of faith, family, and togetherness.

Light shines most brightly in the midst of darkness. That's the essence of the Christmas story—a powerful message of hope beautifully captured in the lyrics of *O Holy Night*: "O holy night, the stars are brightly shining, It is the night of our dear Savior's birth." God didn't enter our world at the brightest hour of day; He came to us in the depths of night, illuminating the path to light, love, and redemption. Christmas reminds us that even in our darkest moments, we can place our trust in the everlasting light.

On behalf of the staff at St. Lorenzo, we pray that the true spirit of Christmas, the love and peace of Christ, fills your heart and home this season. May the blessings of the New Year strengthen your faith and bring you continued joy and grace.

Maria Monteiro ~ Principal

Kevin Leschyshyn ~ Vice Principal

Virtue of the Month—January

Self—Discipline

I have self-discipline. I use my time well and get things done. I choose my actions with detachment and do not let my emotions control me.

Winter

As we all know it's getting colder outside! Please make sure that your kids are dressing for the weather—winter jackets, toques, mittens, scarves and a change of clothes.

We recommend that all outdoor clothing is labeled.

Cold Weather Policy

As outlined by Health Canada and our School Division, when the temperature reaches -27°C or lower (including wind chill), all students will remain indoors for safety. When the temperature is above -27°C, students may go outside for recess.

We appreciate your support in ensuring the safety and well-being of our students during colder weather.

Diamond Students

November 2024
