The office is not open from  
12:00—12:45  
Phones are not monitored

#### *Message from Administration*

The month of May is devoted to Mary, the mother of Jesus. On May, 13th we gathered in the gym and prayed the rosary. We will also be celebrating the many blessings of Catholic Education next week during World Catholic Education week.

Five more weeks before the summer break! Our school population is growing, and we have been approved two relocatable classrooms for the fall. We will soon be in the process of arranging classrooms. Our goal is to build a community of learners in every classroom and to do this we strive to ensure that the best interests of students are central in all decisions about classroom placement. We take classroom placements very seriously and as professionals spend much time collaborating in making the best choices for our students. Some significant factors include:

- Student's strengths and interests
- Work habits
- Class dynamics
- Student needs (e.g., need for support in learning English or academic areas)
- Relationships with peers
- Learning styles
- Number of boys and girls in the class
- Social skills
- Number of students in each grade
- Curricular needs

Although some students and their parents wish to have their closest friends with them in their class, that is not always the best decision for learning. We are hoping that we will have many opportunities for children to collaborate with grade alike groupings, recess and extra-curricular activities next year. Earlier this month, a digital form was sent out to families to indicate their intent for next year, if you have not yet completed it, please do so as soon as possible so that we can begin planning for next year.

As administrators, we welcome any information in writing that you may feel we should know regarding your child's placement. You can email [mmonteiro@gscs.ca](mailto:mmonteiro@gscs.ca)

*God Bless!*

*Maria Monteiro & Kevin Leschyshyn*

## Virtue of the Month— June

~ Self-Discipline ~

I have self-discipline. I use my time well and get things done. I choose my actions with detachment and do not let my emotions control me.
