

Catholic School Community Council Prayer

Our Heavenly Father, we pray that our endeavors may at all times be guided by you.

Give us the knowledge so that our thoughts may be well directed.

Give us the tolerance so that we may respect the rights and views of others.

Give us wisdom to make good decisions.

Give us understanding and clear vision, so that we may always seek the highest good for our children, our home, and our school.

Bishop James Mahoney and all the Saints, pray for us.

Amen.
