## **Student Services**

**Nutrien Indigenous Youth Financial Management Awards:** There is a great demand within Indigenous communities and off-reserve for Indigenous financial management professionals and there are many opportunities for those who want to pursue this career path and many sources of assistance. However, very few of our young people are pursuing an education in financial management after high school. That is why AFOA Canada and Nutrien have come together to offer the Annual Nutrien Indigenous Youth Financial Management Awards. Recipients attend AFOA Canada's National Conference and participate in a special Youth program designed to introduce youth to careers in Indigenous finance and management, and they become eligible for a scholarship of up to \$5,000. **Deadline to Apply:** November 30, 2023. For more information and to apply, go to <https://afoa.ca/awards/youth/>

**Scholarships needing School Nomination:** In order to be considered for the following scholarships, you must be nominated by your school. If you wish to be considered for school nomination, please fill out the application and **return it to Student Services** by **Friday, December 15**. For more information and for the nomination application, please see Student Services.

**Grade 12 Students: The Debtless Students** is a federally incorporated non-profit organization helping students fund post-secondary education. With our expansive team of major scholarship recipients and finance students, we specialize in guiding students to the right solutions so that they can achieve a debt-free future, no matter what socioeconomic background they come from. It's time to level the playing field. With scholarship and university application deadlines looming, The Debtless Students pairs high schoolers with university students and scholarship recipients free of charge. Our team helps with everything from application advice and essay editing to financial literacy mentorship! We've got members from coast to coast, at many different schools, and with many different scholarships, so we'd be able and happy to provide help to students on more specific applications (like UofA, UofC, UofT, McGill, Waterloo and UBC, as well as scholarships like the TD, Loran, Beedie Luminaries, Schulich, and many different university entrance scholarships!) You can find out more about the organization here: <https://thedebtlessstudents.org> and students can sign up here: <https://docs.google.com/forms/d/e/1FAIpQLSd2Eaiw4FTPVnTLpuF5bLUTWf8TvVbel9wEQ2VORDoq8pRDWQ/viewform?pli=1>
