In Case You Missed It:

Hi BJM Track Athletes: Mme Cyrenne will be running a quick 'practice' at noon on Friday April 11 in the gym to go over how to use the starting blocks. This will be particularly useful for anyone who has never used (or even seen) the blocks.

We will cover:

- How to set them up
- How to adjust the height (and to know if you need to)
- How they can assist your body positioning off the start to optimize speed

***This will help you get familiar with them before the Field House practice on Monday** where there will already be minimal time with all schools present to get used to the feeling of the blocks.
