Opportunities for students entering Usask: ST. THOMAS MORE College

If you're a grade 12 student planning to attend the University of Saskatchewan (USask) this fall and want access to even MORE benefits, St. Thomas More College (STM) could be an option for you! STM is a Catholic liberal arts college at USask and works in partnership with the college of Arts & Science to provide over 225 additional credit course options to USask students! All USask students have access to STM courses, study spaces, events, and student clubs.

Arts and Science students can additionally declare as STM students to gain even more benefits through STM college. Declaring does not restrict your program or cost extra but rather provides extra benefits for you through the college. STM-declared students can apply for STM scholarships and bursaries, have access to student support at the college (like academic advising services) and can build more connections by being involved in student leadership and other clubs in a smaller college on campus.

To declare as an STM student, simply check off the box on your application to USask that says you'd like to declare! Or declare at any time through the STM channel on your student PAWS account. That's it! Now, you're a STM student and USask student at the same time!

(Follow the QR code to declare)

Interested in financial support for your studies?

STM scholarships/bursaries have new application dates! Applications for scholarships for entering students are open from May 1st to August 8th, and bursaries open August 11th to October 1st. Check out the available awards for entering students and criteria required:

If you're looking for smaller class sizes, more scholarship/bursary options, additional student supports, or a place to call your "home away from home," check out St. Thomas More College at the University of Saskatchewan.

Cassidy Grimm Memorial Bursary: \$500 awarded in June of each year to one recipient. Deadline for applications is May 15. Cassidy tragically lost her life in 2023. Cassidy had recently graduated with her Bachelor of Education. She graduated from the University of Regina with great distinction. She was incredibly gifted but also knew how to dedicate herself to her studies and work hard. One of Cassidy's passions was her faith in God. She was always continuing to grow in her understanding of who God is and she had a desire to help others know Him too. When you got to know her, you discovered she was fun, goofy, kind, trustworthy, loving and will forever be deeply missed.

To qualify for her bursary, we ask that you submit a brief essay describing why you are going into Education and what your passion for teaching focuses on. We would also like a brief bio describing who you are and what makes you, you. A short explanation as to why you are applying for this particular bursary and in brief your financial need. You need to be a Saskatchewan resident accepted into or already attending a post secondary school in Saskatchewan for the purpose of achieving a Bachelor of Education Degree. Please include your name, age, contact information, proof of enrollment as well as 2 letters of reference.

Applications can be sent to:

Cassidy Grimm Memorial Bursary

Box 215

Hodgeville, SK S0H2B0

Or cassidygrimm-memorialbursary@sasktel.net

We thank you in advance for your application but only the person chosen will be contacted. Please accept our thanks for applying to receive Cassidy's Memorial Bursary.
