What's New?

It's time to create the Yearbook! If you'd like to help with layout and design of the 2024-25 yearbook, please attend our first meeting on Tuesday Feb. 4 at lunch in RM 201. We need dedicated people who want to help make this 40th anniversary edition of the yearbook the greatest ever! Any questions? See Ms. Earle in Rm 201.

New Math Contest Announcement! All students have the opportunity to participate in the next Nation-Wide Math Contest! The next contest date will be February 26, 2025, for Grade 9, 10 and 11 and April 2, 2025, for Grade 12. To prepare, the tests need to be ordered ASAP. If you are interested, please come see Ms. Park in room 207 prior to February 7, 2025, to sign up. Tests will be written during the school day, in period 3.

In Case You Missed It:

BJM Blood Drive: To all Saints over the age of Seventeen, the next BJM blood drive is happening February 14th! Sign up for the drive through the Give Blood app, as a member of BJMs team to help spread the love and to help save lives. See Mrs. Hamm, Elsa Felstrom, Julia Bourassa, or Mackenzie O'Neill with any questions.

BJM's lost & found is available for collection near the Main Office. Please retrieve your belongings before 3:15 PM on Friday, January 31st, as items will no longer be held after that time. Thank you!

Grad Photos: The [link](#) is now open to book grad photos. Please check your email / Edsby messages for more information. (School Code... Just start typing Bishop James Mahoney).

Student Passwords: Any student whose password didn't meet the division requirements have been reset. Division requirements are now:

- 12-character length
- At least one capital letter, one number, one symbol.
- They may not contain any part of your name or any part of your last password.

Teachers can reset your password (it may take up to 10 minutes for the password to update). If you have any issues, stop by the Main Office or Student Services for assistance.

Grade 11's/BJM Class of 2026: In case you haven't heard, follow @2026_bjm_seniors on Instagram for senior clothing updates! We uploaded our first drafts of our jerseys and would like your feedback! Check your Edsby messages (from Ms. Livingston) for more details.

The "Catholic Gap Year" Program at the St. Therese Institute: High school students across the Diocese of Saskatoon are invited to an Open House experience of the "Catholic Gap Year" program at the St. Therese Institute. The Open House will be held during the week of the February school break. The St. Therese Institute is a premier Catholic cultural institution in the Diocese of Saskatoon. The Catholic Gap Year gives young men and women the crucial time and place to find and understand their true identity in Jesus, so they can build an integrated vision for life that will bless them in anything they do afterward. For more information and to register, go to <https://sttherese.ca/events/>

Tuition-Free Early Childhood Education (ECE) Dual Credit Classes: Saskatchewan high school students can get an Early Childhood Educator (ECE) Level 1 with just three tuition-free dual credit courses from these three post-secondary institutions:

- Saskatchewan Polytechnic; [Building the Future: Opportunities for Early Childhood Educators](#)
- Carlton Trail College; [Carlton Trail - Welding, Heavy Equipment Operator, Electrician, Primary Care Paramedic, Construction Millwright & Office Administration Certification Training Course and more in Saskatchewan](#)
- Suncrest College; [Suncrest College - Home](#)

Dual credits allow you to simultaneously earn Saskatchewan high school credits and Saskatchewan Polytech credits and explore educating young children. Learn more by scanning the QR code below.

There is currently a high demand for certified early childhood educators (ECEs) to work in regulated childcare. The province is increasing the supply of qualified educators and creating opportunities for Saskatchewan residents through bursaries aimed at full-time students working towards an ECE diploma in 2025-26. Bursaries for ECE study are available at Saskatchewan Polytechnic, Collège Mathieu and Saskatchewan Indian Institute of Technologies (SIIT) as a result of investments under the *Canada-Saskatchewan Canada-Wide Early Learning and Child Care Agreement*.

Saskatchewan Polytechnic is providing bursaries to Year Two ECE diploma students. Students will receive a \$16,000 bursary paid in two \$8,000 installments, one in October and again upon successful completion of their final practicum. Find out more [here](#) and clicking on *Ministry of Education Grant: Canada-Saskatchewan Canada-Wide Early Learning and Childcare Agreement*.

Collège Mathieu offers the Diplôme d'éducation à la petite enfance program. Participants can qualify for up to \$3,500 in scholarships for each year of study completed. More information is available [here](#).

SIIT is providing between \$500 and \$1,000 per student in bursaries for completion of ECE Level I, II, III, practicums and the Indigenous Early Childhood Education Advanced Certificate. Individuals interested in learning more about these opportunities should contact SIIT [here](#).
