Applications are open for the Beaverbrook Vimy Prize: This immersive program offered by The Vimy Foundation, gives young people aged 15 to 17 from Canada, France, Germany, the Netherlands and the United Kingdom the opportunity to follow in the footsteps of those who shaped history. From August 1 to 11, 2025, recipients visit key historic sites, former battlefields, museums, cemeteries, and memorials in Belgium and France, gaining new perspectives on well-known and under-told aspects of the wars. They see first-hand the consequences and lasting impacts of the war on the natural and human environment. They connect with youth across multiple regions and nations, and learn about the sustainable actions being taken by their peers to make a positive impact now and in the future. Applications are open until March 12, 2025! To apply now or learn more: <https://vimyfoundation.ca/programs/beaverbrook-vimy-prize>

Agriculture Student Scholarship: Grade 12 Saskatchewan students and recent high school/GED graduates (within the last two years) have the chance to win a grand-prize scholarship of \$6,000 or one of three runner-up scholarships of \$3,000 when they submit a three-minute video or 1,000-word essay on *solutions to challenges in agriculture*.

This year's scholarship theme asks young people to clearly articulate a challenge that the agriculture industry faces, with special consideration to how this affects public trust in agriculture, then explore creative solutions to solving the challenge. Submissions can focus on how the industry can improve its practices, adopt new technologies, communicate practices more effectively, or other ways the industry can enhance trust with the public. Applicants are encouraged to be thoughtful with their submissions and to include sourced evidence along with personal perspective. A good submission includes facts to support the analysis/commentary. This scholarship program is designed to identify and develop young leaders who are planning to pursue a career in the agriculture industry. To be eligible for this scholarship, applicants must be planning to take an agriculture-related post-secondary education program beginning in the fall of 2025. The deadline to apply is **March 1, 2025**. For more information:

Visit saskatchewan.ca/ag-scholarship; or contact agriculture.scholarship@gov.sk.ca
