

CSCC Meeting Invitation

At Greater Saskatoon Catholic Schools, we strive towards Catholic School Community Councils (CSCCs) that are reflective of the families we serve. This includes continued collaboration with First Nations and Métis families, as well as the many families who are new to Canada and have recently enrolled in our schools. The insights, experiences, and ideas of all families who choose Catholic Education are invaluable to our CSCCs and we extend a warm welcome for all to participate. Together, we continue the path of reconciliation, remain rooted in faith, grow in knowledge, and reach out to transform the world.

Please join us at our next CSCC meeting on Sept. 25th at 7:00. Together, we will create an environment of mutual understanding, inclusivity, and shared success.

Our children benefit when we work together in a shared spirit of faith. Together, we will not only enhance the educational experience for our students but also build lasting bonds that enrich our Greater Saskatoon Catholic Schools family.
