Important Dates in November

What a weekend for BJM!

Our BJM Saints football team captured the 5A City Championship as we won in a close game against Aden Bowman! It was an exciting game and the boys fought until the end. Good luck to our Sr football team as they travel to Prince Albert on Saturday for Provincial Semi-finals. Thank you to all our coaches, athletes, and families for your tremendous dedication to the team.

Halloween for Hunger was both heart-warming and inspirational as our students and community came together to collect a record-breaking amount of food! Thank you to Mme Kelln and all our BJM students for making this happen. A special thank you to the students, families and staff who were able to help on Saturday evening.
You are appreciated by our school and our greater Saskatoon community.

Good luck to our Senior Volleyball Teams, who are both competing in semi finals this week! So proud to be a Saint! 💚
