

Happy New Year and welcome to 2026!

We hope that the Christmas break was a time of rest, reflection, and fun-filled moments with family and friends!

As we return to school this January, we do so with gratitude for our students, families and our BJM community. A new year offers an opportunity to journey together through faith, perseverance, and hope.

January is an important academic month with our final assessments fast approaching. We are proud of the hard work and dedication to school our students have shown throughout the semester and we are confident that they will approach finals with preparedness, confidence, and much needed balance.

Final Assessment Schedule for the week of Monday, Jan. 19 - Friday, Jan. 23:
