Invitation to Participate in ISLC Awareness Video: ISLC is creating a short video for Red Dress Day and Moose Hide Campaign Day, and we want your voice included! The video will be made up of brief statements from students and staff. Your statement can be a personal message, a fact, an “I can” statement, or a simple message of support. You can speak from the heart or choose one of the premade options. **If you’d like to take part, please come to Room 159 (Fabian’s room) on Tuesday, April 21st, and 28th at lunch.** If you are unable to come during that time but still want to partake, come see Ms. Fabian any day from April 3rd - 28th. Recording your clip will take less than one minute. Bonus if you want to wear red or orange for your clip. Let’s come together to raise awareness and show our support.

FAQ:

What is Red Dress Day and the Moosehide Campaign about?

Red Dress Day (May 5) is a day to remember and raise awareness about Missing and Murdered Indigenous Women, Girls, and Two-Spirit People by displaying red dresses as symbols of those who are no longer here.

Moose Hide Campaign Day is a day when people across Canada wear small squares of moose hide to show their commitment to ending violence against women and children and to support safer, more respectful communities.

University of Saskatchewan: Hosted by the Office of the Vice-Provost, Indigenous Engagement, **Indigenous Student Experience Day** is taking place on the main University of Saskatchewan (USask) campus in Saskatoon on Wednesday, May 20. This day is all about connecting, learning, and having fun together. Activities are geared toward Saskatchewan Métis, First Nations, and Inuit high school students (primarily Grades 9–12). Parents, guardians, and teachers are encouraged to attend with students! This event will spark students' curiosity about post-secondary education through hands-on activities, interactive spaces, and opportunities to connect with Elders, Knowledge Keepers, and Wise Ones, faculty, staff, and current Indigenous students. Participants will be able to build familiarity with campus, learn about diverse pathways into university, and create positive memories that can help students envision themselves at USask. Parents/guardians are welcome to register themselves and their students. To register, go to

Sask Polytech: We are pleased to share information about an upcoming student business event, **RISE To My Business: Student Era**, for **Grade 10–12 students** who may be interested. **RISE To My Business: Student Era** is a fun, engaging, and educational one-day program designed to inspire high school students to explore entrepreneurship and business skills in an interactive environment. Throughout the day, students will participate in hands-on activities and practical learning experiences that encourage creativity, problem-solving, and confidence building.

This event is designed to be both informative and enjoyable. Students can expect:

- Interactive business-focused activities
- Opportunities to collaborate and share ideas
- Lunch provided for all participants

Our goal is to spark interest in business and entrepreneurship, introduce students to the opportunities available through our program, and inspire them to consider joining and continuing their learning journey with us. Students who are interested in attending are asked to **scan the QR code on the poster (poster is in Student Services)**, which will take them directly to the registration link for the event. If they have any questions or would like additional information, they can contact Cheryl Chilagan at callander@saskpolytech.ca or 306-659-4652. **Mitchinson Flight Centre** is holding its annual **Girls Take Flight event**, and is offering free flights at the event on Saturday May 2nd. Registration for a free flight at the event goes live on our website at www.flymitchinson.com on **Saturday April 18th at 10am**. But spots are limited so it's a reminder to mark your calendars! This is a wonderful event now in its 3rd year, and we have guest speakers, a BBQ lunch available for a cheap price, and lots of exhibitors and industry professionals to speak to if aviation is something of interest!

The **University of Regina** wants to help incoming students get a head start on their post-secondary journey with the Summer Bridge program! The Summer Bridge Program offers a unique opportunity to earn 3.0 credit hours by completing English 100 while also developing essential university success skills before first semester officially begins. **This on-campus experience takes place in August and is specifically designed for incoming high school students!**

Summer Bridge Program Highlights:

- **English 100 Course:** Earn 3.0 credit hours that count toward all U of R programs
- **University Success Skills:** Develop academic writing, note-taking, exam preparation, and time management skills
- **Campus Orientation:** Learn about university expectations, policies, and available services
- **Writing Support:** Meet one-on-one with a tutor to improve writing skills

Why Join Summer Bridge?

Starting university can be challenging, but Summer Bridge eases this transition by helping students:

- Build confidence in their academic abilities
- Connect with other incoming students
- Familiarize themselves with campus resources
- Reduce first-semester stress with credits already completed

This program takes place on the Regina campus and is **specifically tailored for students entering in Fall 2026**. Learn more about the Summer Bridge Program on our website: [Summer Bridge 2026](#)

Sask Polytechnic: If you've been thinking about starting school this fall but haven't taken the next step yet, you're not alone. And you're not too late. Right now, Saskatchewan Polytechnic still has programs with seats available for Fall 2026, in areas like healthcare, skilled trades, business, IT, and more (browse available programs at <https://saskpolytech.ca/admissions/apply-and-register/fall.aspx>). That won't last. Programs fill on a first-qualified, first-admitted basis, and some are close. You need to see what's available before it's not. Not sure where to start? Our Recruitment Advisors help people figure this out every day, [set up a time to chat](#).

Canadian Forces Family Scholarship from The Bridge City SaskTel Pioneers: The SaskTel Pioneers is a network of volunteers who effect immediate, tangible change in local communities. One of the pillars of support that the Pioneers provide is to the Canadian Armed Forces. As such, we want to provide this scholarship to support a child or dependant of a current or former member of the Canadian Armed Forces who is graduating from grade 12 this school year. Priority will be given to students who will be going on to post secondary education, but applicants who are not pursuing post secondary education will also be considered. The value of the award is \$1000. To be considered for this scholarship:

- Must be a Grade 12 student in good academic standing
- Must be a child or dependent of a current or former serving member of the Canadian Armed Forces (CAF); student must provide proof of parent or guardian's service in the CAF such as a copy of a Military Service Identification Card, a Veteran's Service Card, or a Certificate of Service.
- Provide a 250-word description of how they are active in their school and community, highlighting volunteerism and good character.

Application information is in Student Services; completed applications are to be turned into Student Services by **Friday, May 15**. Completed applications will be sent on to the GSCS Foundation office where a committee will make the recipient selection.

The University of Regina is happy to invite high school students to our Course Registration Days for Early Conditional Students! At Course Registration Days, students will receive assistance navigating the course registration process, valuable academic advising, and insights on what to expect in their first year. Attending one of these sessions will give them a better chance of securing their preferred class schedule!

 **Location:** Both Zoom and in-person sessions available

 **Dates:** Students can choose **one** of their faculty sessions on **April 30, May 1, or May 2**

- Thursday, April 30th, 9 AM - 12 PM - virtual
- Thursday, April 30th, 1 PM - 4 PM - in-person
- Friday, May 1st, 9 AM - 12 PM - in-person
- Friday, May 1st, 1 PM - 4 PM - in-person
- Saturday, May 2nd, 9 AM - 12 PM – virtual

→ Key details:

- **Pre-Registration:** It is mandatory to pre-register for a course registration session. This will ensure a smooth and efficient process for all participants.
- **Session Selection:** Students must register for CRD through **their application portal**. Students will scroll near the bottom of their portal to 'Course Registration Days.' They will be able to see a list of the available sessions and dates. Once they select one, they can review their information and click 'Register.'
- **Limited Space:** Due to space constraints, we kindly request all students to sign up for the event in advance to secure a spot in the advising session.
- **Zoom Links:** Zoom links for the event will be provided in the confirmation email upon registration.
