University of Saskatchewan: is pleased to be hosting an Application Workshop and Q&A this spring. We will have a number of staff members there in person to assist all of the attendees that show up. We are primarily targeting Grade 12 students that have been having issues with, or questions regarding the 2026 Fall intake. However, we will welcome any student that is having questions or would like a walk-through of the application process. The event is a come and go affair, and parents are welcome as well. For this reason, we have based it at Alice Turner which has plenty of parking, and hopefully the time frame works for any that are interested. We encourage students to bring a laptop with them as it is easier to apply, as well as easier for us to assist, than if they are applying on a mobile device. If they have a library card, they are also able to check a laptop out while at the event.

- The event takes place in the Auditorium at **Alice Turner Library on March 26, from 4 to 7 PM.**
- We ask that students sign up for this free event on Eventbrite at <https://USaskapplicationworkshop2026W.eventbrite.ca>.
