What's New?

New Math Contest Announcement! All students have the opportunity to participate in the next Nation-Wide Math Contest! The next contest date will be February 25, 2026, for Grade 9, 10 and 11 and March 31, 2026, for Grade 12. To prepare, the tests need to be ordered ASAP. If you are interested, please come see Ms. Park in room 207 prior to January 30, 2026, to sign up. Tests will be written during the school day, in period 2.

Attention Seniors: Please check your Edsby messages for an important message from Ms. Livingston.

In Case You Missed It:

Math 110 Semester 2 Students: Reminder that you will need access to the digital textbook as soon as class starts so it is suggested you start the process now. See Ms. Cheston with any questions.

BJM's FAQs (Frequently Asked Questions) - Students

How do I make changes to my timetable? Grade 9s/10s can stop by the Main Office and see one of the vice-principals. Grade 11s/12s can stop by Student Services and see one of the counselors.

Published Daily: <https://www.gscs.ca/bjm/page/7882/bjm-daily-student-notices>

Found errors? Please email bishop.james@gscs.ca and let us know what can be improved.

How do I register for Driver's Education?

Once you are 14 years and 9 months old, go to <http://www.klassendrivingsschool.com/> and click the Application tab. You will receive an email from Klassen.

How do I sign up for drives with the teacher at school? They are done the class, and we are wondering how to sign up for the in-person driver lessons.

Our driver instructor's phone number is posted on the Main Office bulletin board. Give them a call and let them know that you have drives to complete.

Have a question to add? Fill out this [form](#).

Student Services

Hospitality Bootcamp: Are you someone interested in event planning? Ever wondered how events for hundreds of people are put together? Apply now for the hospitality bootcamp and get a head start on your career with skills related to event planning, banquet design and customer service. See student services for more information.

Machining Bootcamp: Ever wondered how your iPhone is made? Or the working parts of a car? Most everyday items are designed and built by machinists. Use industry grade equipment to manufacture precision parts. Apply now to learn basic skills in one of Saskatchewan's most in demand skilled trades. See student services for more info.

- Tuesdays beginning March 10
- Open to grades 10-12
- Learn to operate industry grade metal cutting machines to make every day parts
- Students will work on a project for the duration of the camp
- Machining is one of the most in demand trades in Saskatchewan
- All info can be found at <https://saskatooniec.ca/machining/>
- Attached are poster and student info letter
- **Application deadline: Tuesday, February 24, 2026**

University of Regina: We invite you to share our **Funding Your Education Info Session** with students who are exploring how to make university both affordable and achievable.

This session will cover:

- Undergraduate scholarships, awards, and bursaries
- Student loans and financial aid options
- Work experience opportunities and additional funding resources.

Students will also have the opportunity to ask questions and receive guidance directly from our Student Awards & Financial Aid team.

 Date: Wednesday, January 28

 Time: 6:00 p.m. - 7:30 p.m.

 Location: Online via Zoom (**registration required** to receive the link)

This session is designed to support students as they plan their next steps and make informed decisions about financing their education at the University of Regina. For more information and to register, go to <https://apply.uregina.ca/register/funding-your-education-jan-2026>

Agriculture Student Scholarship! Thinking about an education in agriculture? There are many exciting career paths in your future! Apply now for the 2026 Agriculture Student Scholarship. Saskatchewan Grade 12 students and recent high school/GED graduates (within the last two years) have the chance to win a grand-prize scholarship of \$6,000 or one of three runner-up scholarships of \$3,000 when they submit a three-minute video or 1,000-word essay on *solutions to challenges in agriculture*. This year's scholarship theme asks young people to clearly articulate a challenge that the agriculture industry faces, with special consideration to how this affects public trust in agriculture, then explore creative solutions to solving the challenge. Submissions can focus on how the industry can improve its practices, adopt new technologies, communicate practices more effectively or other ways the industry can enhance trust with the public. Applicants are encouraged to be thoughtful with their submissions and to include sourced evidence along with personal perspective. A good submission includes facts to support the analysis/commentary. This scholarship program is designed to identify intelligent and ambitious young agriculture leaders and provide successful candidates with financial support for their education. To be eligible for this scholarship, applicants must be planning to take an agriculture-related post-secondary education program beginning in the fall of 2026. The deadline to apply is **March 1, 2026**. For more information and to apply, visit saskatchewan.ca/ag-scholarship

Evan Thomas Memorial Scholarship: Recognizing Excellence in Team Leadership and Academic Achievement. Awarded annually to a graduating student from any high school within the Saskatoon Public School system or the Greater Saskatoon Catholic School system, who intends to pursue post-secondary studies in the year following graduation. Deadline for applying is March 31, 2026. For more information and to apply, go to <https://evanthomasscholarship.com/>

Spotlight on Careers: Dentistry event, is where they will explore the University of Saskatchewan College of Dentistry and learn about a range of careers in the dental field.

 **Upcoming Event:**

 **Spotlight on Careers: Dentistry**

 **Friday, March 6, 2026**

 **9:00 AM – 12:00 PM**

 **USask College of Dentistry**

 **Registration deadline: February 11, 2026**

Students will explore careers as **Dentists, Dental Hygienists, Dental Assistants, and Dental Therapists** through an on-campus experience at the College of Dentistry. *Dental Therapy includes seats reserved specifically for Indigenous students.* Students attend the full morning and must arrange their own transportation.

Autobody Bootcamp: Do you enjoy working on cars? If you are looking to expand your current skill base or looking to start building new skills in the motive sector, apply now for the Autobody Bootcamp and work alongside Saskpolytech instructors using industry grade equipment to experience life as an Autobody Collision Technician. See student services for more information.

- Tuesdays beginning February 24 at Saskpolytech
- Open to grades 10-12
- Sessions include welding, grinding, painting
- All info can be found at www.saskatooniec.ca/autobody
- Attached are poster and student info letter
- **Application deadline: Tuesday, February 3, 2026**

Spotlight on Careers events focused on **Business & Entrepreneurship** and **Law**, application begins Tuesday January 6th, 2026, and ends Friday February 6th, 2026.

These hands-on experiences help students explore career pathways, post-secondary options, and real-world applications of their interests.

 **Spotlight on Careers: Business & Entrepreneurship**

 **Wednesday, February 25, 2026**

 **9:00 AM – 3:00 PM**

 **Saskatchewan Polytechnic & Edwards School of Business**

Students will explore how ideas turn into careers through interactive activities, campus tours, and conversations with local business owners.

Spotlight on Careers: Law

 **Tuesday, March 10, 2026**

 **9:00 AM – 12:00 PM**

 **USask College of Law**

Students will learn about legal career pathways through engaging presentations, interactive activities, and a professional panel.

Registration deadline for both events: February 11, 2026

Space is limited for both events and will likely fill up before the registration deadline. Encourage students to register early!

 Full details and registration information can be found in the attached info sheet and event posters. <https://saskatooniec.ca/business/>
