

## Student Notices

Wednesday, January 7, 2026

---

### **BJM Cafeteria**

**Daily Specials:** No specials this week: Grab, Pay, & Go

**Cutlery is free with a purchase otherwise, \$.25/each.**

**Leave Your Backpacks & Binders Outside Before Entering Cafeteria.**

**The Commons are closed during Period 4 for cleaning.**

---

### **What's New?**

**The BJM School Nurse is Sarah Pannell, RN, BsN. Nurse Sarah will be at BJM on Thursday mornings from 8:15am - 12:45pm.** The school nurse can help you with:

- o confidential one-on-one student supports with a variety of medical & health related matters

- o Referrals to other community agencies / supports

- o general first-aid if required

- o confidential pregnancy testing and supports if required

**Students are also welcome to text the school nurse at 306-370-5942.** Look for the tall school nurse sign near Student Services and stop in to say hello!

**Attention BJM Techies.** Lights and Sound Crew is meeting TODAY at lunch in room 232. Meeting starts at 12:15, see you there!

### **In Case You Missed It:**

**Kudos to Clarenz Portades on being BJM's Schulich Leader Scholarship school nominee!**

Clarenz now joins a pool of nominees from other high schools competing for a \$120,000 scholarship. Congratulations Clarenz and all the best with the final selection!

**BJM Winter clothing drive has begun!** Bring all gently used coats, ski pants, boots, mitts, toques, blankets etc. to Mme Kelln in room 157. We will be collecting until the 17th!

**\*There will also be a competition for the greatest donation of NEW socks!** (No used socks will be accepted). The two students who bring the most pairs of NEW socks will win a Blades Hockey jersey, generously donated by the Blades, and the following two who bring the most NEW socks will win a signed Blades hockey puck!! Bring all sock donations to Mme Kelln in room 157, or to the front office so that we can keep track of who brings donations!! Deadline for donations is Thursday January 16.

**Found errors?** Please email [bishop.james@gscs.ca](mailto:bishop.james@gscs.ca) and let us know what can be improved.

**Saskatoon Adventurers Community Travel Club - Do you want to see more of the world and experience new cultures?** Then Saskatoon Adventurers Community Travel Club might be for you! Europe Easter Tour 2027 Student and Parent Meeting is Thursday, January 8th at 8pm in the BJM Theatre. Come learn all the details of the trip of a lifetime. If you missed the info before the break and want to learn more before Thursday, feel free to stop by Room 206 Wednesday at lunch. See you on Thursday!

**BJM's Ribbon Skirt & Shirt Day, Wednesday, January 7th!** Wear your ribbon skirts and shirts!

### **BJM's FAQs (Frequently Asked Questions) - Students**

**How do I make changes to my timetable?** Grade 9s/10s can stop by the Main Office and see one of the vice-principals. Grade 11s/12s can stop by Student Services and see one of the counselors.

#### **How do I register for Driver's Education?**

Once you are 14 years and 9 months old, go to <http://www.klassendrivingsschool.com/> and click the Application tab. You will receive an email from Klassen.

**How do I sign up for drives with the teacher at school? They are done the class, and we are wondering how to sign up for the in-person driver lessons.**

Our driver instructor's phone number is posted on the Main Office bulletin board. Give them a call and let them know that you have drives to complete.

**Have a question to add?** Fill out this [form](#).

### **Student Services**

**Spotlight on Careers** events focused on **Business & Entrepreneurship** and **Law**, application begins Tuesday January 6<sup>th</sup>, 2026, and ends Friday February 6<sup>th</sup>, 2026.

These hands-on experiences help students explore career pathways, post-secondary options, and real-world applications of their interests.

 **Spotlight on Careers: Business & Entrepreneurship**

 **Wednesday, February 25, 2026**

 **9:00 AM – 3:00 PM**

 **Saskatchewan Polytechnic & Edwards School of Business**

Students will explore how ideas turn into careers through interactive activities, campus tours, and conversations with local business owners.

**Spotlight on Careers: Law**

 **Tuesday, March 10, 2026**

 **9:00 AM – 12:00 PM**

 **USask College of Law**

Students will learn about legal career pathways through engaging presentations, interactive activities, and a professional panel.

**Registration deadline for both events: February 11, 2026**

Space is limited for both events and will likely fill up before the registration deadline. Encourage students to register early!

 Full details and registration information can be found in the attached info sheet and event posters. <https://saskatooniec.ca/business/>

**Published Daily:** <https://www.gscs.ca/bjm/page/7882/bjm-daily-student-notice>

**Found errors?** Please email [bishop.james@gscs.ca](mailto:bishop.james@gscs.ca) and let us know what can be improved.

**Canadian Coast Guard Academy:** The Academy is a national, bilingual, degree-conferring training institution located in Sydney, Nova Scotia. We are a unique marine academy with the purpose of saving lives, protecting the environment, and contributing to Canada's economic growth. The Academy offers young Canadians the opportunity to pursue an adventurous career as a marine engineering officer or navigation officer in the Canadian Coast Guard. This is a four-year education training program in either discipline, including theoretical courses, simulator training, and practical training, both at the Academy and on Coast Guard ships. When students begin the program, they become employees of the Government of Canada. As employees enrolled in the education training program, students join a community where they have the opportunity to meet new people, discover rare parts of Canada, and participate in opportunities aimed at helping them develop as leaders.

Did you know that at the Canadian Coast Guard Academy:

- Our graduates earn a bachelor's degree.
- Our students have no debt upon graduation.
- Our graduates are guaranteed a job at the end of their studies.
- Our students must have knowledge of physics and advanced math (and chemistry if they are interested in marine engineering).
- There are no registration fees.
- The application period is now open until February 13, 2026.

Required high school courses:

- Physics 30
- Pre-calculus 30
- English or French A30 and B30
- Physical Science 20

For more information and to apply, go to <https://www.ccg-gcc.gc.ca/academy-academie/officer-training-formation-officier/admission/apply-appliquer-eng.html>

**Sask Polytechnic:** One of the biggest questions we hear from prospective students is: "How do I know which program is right for me?" You don't have to figure it out alone.

Career counsellors at Sask Polytech can help you:

- Figure out which programs match your interests and strengths.
- Explore careers you might not have considered.
- Build confidence if you're feeling anxious or overwhelmed about your future.
- Understand what the job market actually looks like right now.
- Rethink your direction if you're considering a career change.

The best part? These services are free and available to prospective students, current students, alumni, and the public.

**Start exploring on your own:**

Try the [Program Explorer](#) tool. Just answer questions about your interests, values and strengths, and get program ideas tailored to you. It's a great starting point if you're not sure what to study.

Access the [Career and Employment Toolkit](#). Free resources to help you build self-awareness and plan your next career step at your own pace.

**Ready for personalized guidance?**

[Book an appointment](#) with a career counsellor. Talk through your options, get advice on program choices, or discuss interview anxiety and job market trends.

**Found errors?** Please email [bishop.james@gscs.ca](mailto:bishop.james@gscs.ca) and let us know what can be improved.

**3D Animation Bootcamp:** Ever wondered how Pixar makes their movies or played a video game and wanted to design your own character? Apply for the 3D animation bootcamp and learn skills related to both! Bootcamp will offer basic skills in 2D, 3D and character modelling. See student services for more details.

- Thursdays beginning February 5
- Open to grades 10-12
- Learn 2D, 3D and modelling using industry designed software
- All info can be found at [www.saskatooniec.ca/animation](http://www.saskatooniec.ca/animation)
- Attached are poster and student info letter

**Application deadline: Thursday, January 15, 2026**

**GameOn! Bootcamp:** Experience the world of game development! Work with University of Saskatchewan instructors and develop and design a custom computer game project. Learn skills in coding, programming, design, and game mechanics! All skill levels are welcome. Visit [www.saskatooniec.ca/game-on](http://www.saskatooniec.ca/game-on) or visit student services for more details.

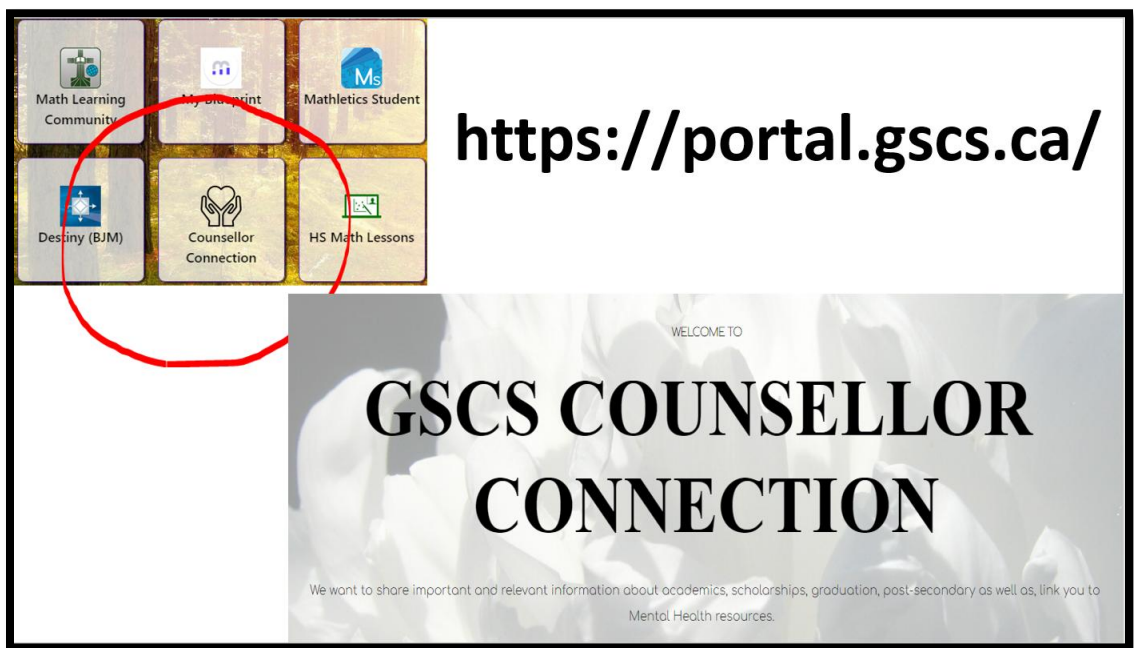

- Wednesdays beginning February 4 on Zoom
- Open to grades 10-12
- Includes coding, programming, design and game mechanics
- All info can be found at [www.saskatooniec.ca/game-on](http://www.saskatooniec.ca/game-on)
- Attached are poster and student info letter

**Application deadline: Wednesday, January 14, 2026**

**3D Printing Bootcamp:** Experience the world of 3D Printing through the SIEC 3D printing bootcamp. If you are interested in careers related to engineering, drafting and architecture, this bootcamp is for you! Learn from qualified SaskPolyTech instructors and use industry leading equipment. See student services for more information.

- Tuesdays beginning February 3
- Open to grades 10-12
- Learn skills related to engineering, architecture and drafting
- All info can be found at [www.saskatooniec.ca/3dprinting](http://www.saskatooniec.ca/3dprinting)
- Attached are poster and student info letter

**Application deadline: Wednesday, January 14, 2026**

**Published Daily:** <https://www.gscs.ca/bjm/page/7882/bjm-daily-student-notice>
