**Re: 2024/2025 Transportation for an Alternate Stop**

Our records indicate that your child(ren) has (have) been provided with transportation to an alternate stop location for the 2023/2024 school year. If this service will be required for the upcoming 2024/2025 school year, please complete the attached Alternate Stop Transportation Request form, and return it to [busing@spiritsd.ca](mailto:busing@spiritsd.ca) before June 17, 2024.

Prairie Spirit School Division provides transportation for students who are eligible for service. Students are considered eligible when their primary residence is located within the attendance area of the school they are attending.

While Prairie Spirit will make exceptions and will provide transportation services to an alternate location for the purposes of childcare, approval for these arrangements is contingent upon several factors;

- The location of the childcare provider must be a registered stop
- The request can be reasonably accommodated on the existing bus service.
- The schedule must be consistent and predictable.
- Alterations to the route will not be approved.

Feel free to contact the office if you have any questions at 306-374-2496 or by email at [busing@spiritsd.ca](mailto:busing@spiritsd.ca).

Thank you.

Sincerely,

Jocelyne Possberg  
Transportation Manager
