Our SafeShip group for Term 1 has finished up their work here at Saint Luke. On behalf of the students and staff, I would like to thank Taya and the team for the good work they provided to our school. We know this is a class for them through the College of Nursing, but our school benefits in so many ways by having them in our building. We wish the nursing students all the best in their future endeavours!

Our Kindergarten to Gr 5 Christmas Concert is Thursday, December 15 at 7pm. Doors open at 6:15pm. An Edsby message was sent regarding information about this event. Our Gr 6-8 students are proud to present their musical skills on Friday, December 16 at 1pm.

Next week is that last week of school before Christmas. We have many spirit days planned as well as the Gr 8 Air Band Show and Christmas Intercom Bingo! It's always a lot of fun.

On behalf of the staff at Saint Luke School, may you have the gift of faith, the blessing of hope and the peace of His love at Christmas and always!

CHRISTIAN INITIATION OF CHILDREN

For the past few years we have had inquiries from parents of a number of children who were not baptized as infants and now their child is showing a keen interest in receiving the sacraments of initiation (Baptism, Confirmation and First Communion).

To try to meet this need we, at Holy Spirit Parish, have created a process for school-aged children who would like to receive the sacraments. As the children and their parent(s) come together they experience sessions that are not only teaching the children about being a Catholic Christian but they are also life-giving both for the children and their parents. The children

learn much while they are having fun. We will begin sessions mid-October meeting about every two weeks right after school for one hour. – probably Tuesday or Wednesday. These children will receive Baptism, Confirmation and Eucharist at the Easter Vigil which this year will be April 8.

If your child has been showing an interest in receiving any of the sacraments I would love to tell you more. Please contact Sharon at spowell@rcdos.ca or 306-374-1425.
