<p><b>HSA ELECTIVE CONSIDERATIONS AND RECOMMENDATIONS</b></p> <p>*Courses designated with a single star are recommended for students that may be interested in pursuing a career in engineering or other STEM related careers that are not Health Sciences. Students should refer to programs of interest for which courses that may be required for post-secondary programs (i.e., Physics 30).</p> <p>Psychology 20 and 30 are recommended for HSA students as both courses contain outcomes that pertain to mental health and wellness. Both courses also involve personal projects that involve either researching or developing a psychological study.</p>
