

Graduates and families,

A few updates from the committee to pass along:

Last week, the Grad committee sent out invoices for the After Grad option you selected. Payments are due April 15, 2024. If you wish to change the option for your graduate, please email at 2024bjmgrad@sasktel.net

We are also still looking for sponsorships for our graduation. If you are willing to share this request with your connections, we are looking for financial sponsorship, as well as prizes for our graduates. Please let us know if you can contribute in any way.

More details will follow in spring with information on start time for after grad activities, tickets, and volunteer sign up. Please watch for updates on this.

The 2024 Graduation Committee
