Hi Parents

Thank you to the parents that attended the after-grad meeting, we apologize that some emails didn't get out to the parents in time to attend the meeting, but we are working with the school to ensure no one is missed going forward as well as share the information below with others to ensure every family is on the list.

Sponsorship/Donations/Fundraising

We request all family members to help with any form of sponsorship or donation. This will be key to making our after grad a success.

Attached is a sponsorship letter and if you know of any companies that could support us financially or with prizes, we would greatly appreciate it.

Fundraising – we have already hosted a long john sale and are looking at having the Grade 12's host a few more events.

The next fundraiser will be on October 21 – the Grade 12's will do a bottle drive from 1pm- 3pm. This will take place in the BJM parking lot and please have your friends/family members start the collection.

The fundraiser will not run with the help of just ten families, we have over 200 graduates and want to get as much help as possible.

If you cannot attend, a Drop and Go account has been set up: **BJM Grad**

Personal Fundraising – if you wish to do individual fundraising, Prairie Meats and Coop Gift cards can be sold to help decrease your ticket prices. This fundraiser will be put towards only your son/daughters ticket.
