For further information regarding E.D. Feehan Catholic High School, please refer to our website at: [www.gscs.ca/edf/](http://www.gscs.ca/edf/)

6. **Student Attendance**

To be academically successful, students must attend classes regularly and promptly. Students, parents/caregivers, and teachers must work jointly to ensure regular and prompt attendance and continual progress in all courses. **Feehan is better with YOU!**

Parents and caregivers are responsible for ensuring their child's regular attendance. Please notify the school prior to the start of classes if your child is going to be absent that day. You have two convenient ways to report absences, and you can report planned absences in advance:

1. Use EDSBY to indicate that your child will be absent. If you do not have an EDSBY account, you will be sent an invitation to set one up at the beginning of the school year. It is very important to set up an EDSBY account as this is where you will report absences, view marks and report cards, see upcoming exam or assignment dates and communicate with your child's teachers.

2. For attendance reporting and/or attendance information call 306-659-7558. Message Manager is available twenty-four hours a day and will record your attendance information if the phone line is busy.

7. **Extended Absences**

Regular student attendance is very important to complete the outcomes for each curriculum. Please do your best to plan for vacations at the designated school breaks, as extended absences may impact your child's academic success. Options such as cyber school may need to be considered for extended absences.

8. **New to Canada**

If someone you know is new to Canada and would like to register their children in a Catholic school, please invite them to book an appointment at the Newcomer Registration Centre. Please call 306-659-7000.
