

E.D. Feehan Catholic High School

Course Selection

AGENDA

1. To learn about requirements to graduate, according to grade level.
2. To learn about courses offered at E.D. Feehan
3. To plan for next year and select courses, both Required and Electives, that are needed to earn your graduation standing
4. Continue to explore what you will do when you leave high school

CAUTION

- YOU are responsible to ensure that you have earned the required prerequisite course for any course that you select.
- The Ministry of Education withholds credits earned without the necessary prerequisite.
- For further information- please refer to the online Registration Handbook that is on the E.D. Feehan website for credit requirements, course descriptions and required prerequisites

www.gscs.ca/EDF

Required / Elective Courses

- **Required** courses are mandated by the Ministry of Education - all students must take them. It is your responsibility to ensure that you have these. If you have been unsuccessful OR not taken a required course, you must sign up for this next year
- **Elective** courses are not required and are selected by each individual student based on what is offered
- **Both Required and Elective courses count** towards your 24 credits needed to graduate
- LAS/EAL Tutorial classes do not count towards your 24 credits

NOTE:

GRADE 10 COURSES are labelled as '10'.

i.e. One of the Grade 10 English courses is ELA10.

GRADE 11 COURSES are labelled as '20'.

i.e. One of the Grade 11 Math courses is MWA20.

GRADE 12 COURSES are labelled as '30'.

i.e. The Grade 12 History course is HIS30.

ANY COURSE ENDING IN A '1' is a MODIFIED course.

i.e. MATH 11, ESC21, ELA21

Students need parent/counsellor/LAT approval to enroll in modified classes

Required Courses at the 10 Level

- **Catholic Studies 10**
- **English A10** *(or modified is ELA11)*
- **English B10** *(or modified is ELB11)*
- **History 10** *(HIS11)* **OR** **Indigenous Studies 10** *(IST11)*
- **Science 10** *(SCI11)*
- **Wellness 10**
- **Math: Foundations & Pre-Calculus 10** **OR**
Math: Workplace & Apprenticeship 10 *(or Math 11)*

(note: stretched math options)

Required Courses at the 20 Level

- **Catholic Studies 20**
- **English 20 (*ELA21*)**
- **A minimum of one 20 level Math (*Math 21*)**
- **A minimum of one 20 level Science (*ESC21*)**

Required Courses at the 30 Level

- **Catholic Studies 30**
- **English A30 (*ELA31*)**
- **English B30 (*ELB31*)**
- **History 30 (*HIS31*) *OR* Indigenous Studies 30 (*IST31*)**

** You need a minimum of 24 credits in order to graduate*

** Ministry requirements are listed on the back page of your registration package*

New this year

Instead of taking **History 20** or **Indigenous Studies 20**, you must take at least one of the following:

History 20

Indigenous Studies 20

Psychology 30

Law 30

Course Planning, the BIG picture

Grade 10 Math Options

Change from past years - You only need to take one Grade 10 Math:

Math: Foundations & Pre-Calculus 10 now has 7 units in the course (in the past 5 units)

Math: Workplace & Apprenticeship 10

Math 11 (modified)

Stretched Math classes

Stretched Math Classes

Allows for more time to cover the course content.

Stretch Math is designed for a student who find the subject difficult, but works hard and completes homework

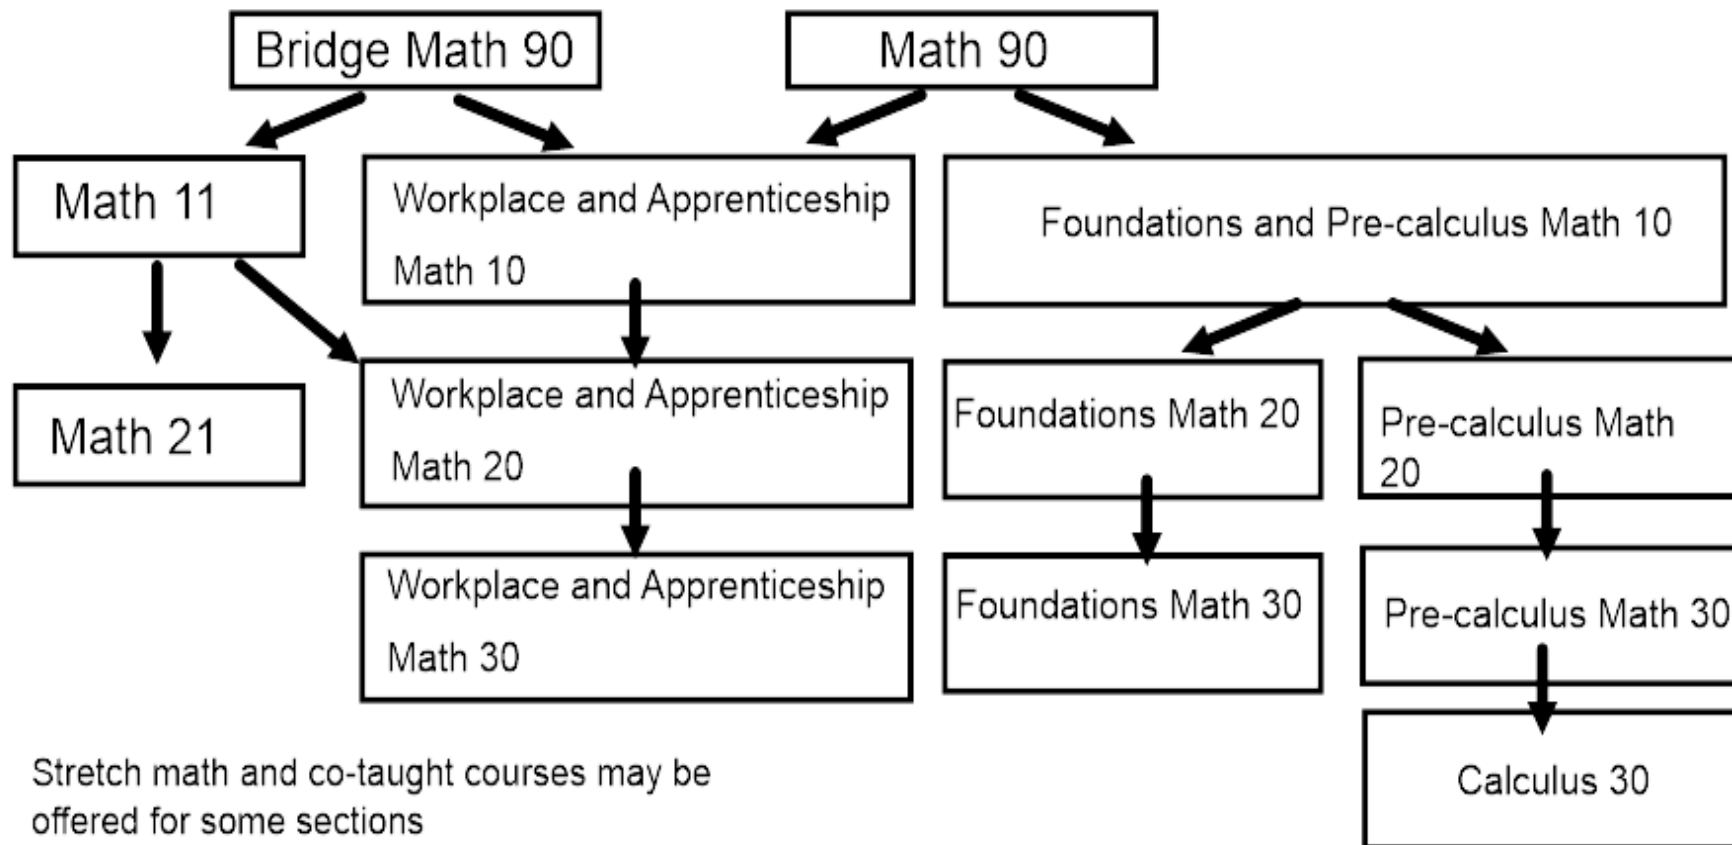

Math: Workplace & Apprenticeship 10 and 20

(2 credits) over three semesters (takes two spots in your timetable next year and one spot in Grade 11)

Math: Foundations & Pre-Calculus 10 Yearlong

(takes two spots in your timetable next year)
