Being that student assignments will not be known until the fall, there might be class-specific supplies that will be requested in the fall by your child's homeroom teacher.

Below is a sample of the requested Interlined Project Book!

The image shows a large rectangular box representing a project book. Inside the box, there are ten sets of horizontal lines for writing. Each set consists of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement. The lines are evenly spaced and extend across the width of the box.
