

St. Joseph High School

Course Selection

AGENDA

- 1. Career Exploration is important when choosing courses.**
- 2. Learn about requirements to graduate**
- 3. Learn about classes offered at St. Joseph**
- 4. Learn about registration process**

The Classes you choose to take in High School ***Influence*** ***What You Can Study in Post-Secondary*** & What You Can do for ***Work After High School***

**You may be uncertain of your
career choice right now....**

but choosing the right subjects
now will help widen your
range of career opportunities.

**High School offers a Variety of
Subjects...**

so choose ones that interest
you, ones you will do well in,
and ones that fit your
personality and values.

On your GSCS
Portal, Look for

A banner for St. Joseph High School. The background is a road with a fork, flanked by fields. On the left, a blue sign lists: Sales, Marketing & Advertising; Information, Technology & Computing; Animals, Farming & Environment; Construction; Security & Emergency Services. In the center, a yellow diamond sign says 'DETOUR NEW PLAN' with a circular arrow. To its right, a green diamond sign says 'Relax Breathe Stay Alert'. Further right, a white sign with orange stripes says 'CONSTRUCTION ZONE'. On the far right, a blue sign lists: Performing Arts; Sports, Leisure & Tourism; Art & Design; Media & Journalism. Below the banner is a dark grey bar with six white buttons: 'St. Joseph's Honour Roll', 'Make an Appointment Click Here', 'Mental Health Resources', 'Graduation and STJ Scholarshi...', 'USA Education In...', 'Study Tips', and 'Upcoming Events'. At the bottom is a purple section with a white box containing the text 'CAREERS OF THE FUTURE.CA' in a stylized font. To the right of this box, text reads: 'Get inspired, discover a new career path, or find out how advanced technologies are shaping our lives:' followed by the URL 'www.careersofthefuture.ca'.

School counsellors can provide students with tools & opportunities to match their skills, interests & values with careers.

This helps with course selection in high school.

Spotlight on Careers

Students in grades 11 and 12 experience industry and educational opportunities in a field of interest, visiting job sites and post-secondary facilities. Twenty Spotlights highlight over 80 career pathways.

Skills Bootcamp

Students in grades 10 through 12 have the opportunity to gain hands-on skill development and career training while working alongside industry professionals. Recent boot camps include: automotive, culinary, web development, 3D printing, and video game design.

Connected

This mentorship event links young female students from grades 10 through 12 with female mentors from a vast spectrum of career backgrounds who are willing to share their career journey. Students pursuing all post-secondary pathways—work, university, college or apprenticeship—are welcome to participate.

Once you have an idea of the careers that interest you & the schooling required, you can begin to make your high school plan.

Required Courses

VS.

Elective Courses

- In Grades 10-12 there are **16 REQUIRED** classes you must take.

- There are a minimum of **8 ELECTIVE** classes you choose to take.

TOGETHER they must add up to 24 Credits to earn a Grade 12 Standing.

Post Secondary

If after graduation, you plan to attend a post-secondary institution, be sure to look at their requirements.

You will need certain ***high school pre-requisites*** to take certain post-secondary classes/programs.

Dual Credit Opportunities

There are opportunities for high school students to take a University Class in their Grade 12 year.

Dual Credit means that upon successful completion of the course, students will earn a ***University Credit*** AS WELL as a ***High School Credit***.

Example: if you are interested in ***Edwards School of Business***, you can take a Commerce 101 class AND earn a Business 30L. See a counsellor if you are interested.

Prerequisites

- **You are responsible** for ensuring you have the proper prerequisites. If not, you will not receive credit for a class. For example, you need MFP10 to take and gain credit for MFO20.
- Some classes do not have prerequisites. For example, there is no prerequisite for BFP20.

Registration Handbook

For more information regarding the necessary prerequisites, see the registration handbook on the school website.

Pre-Requisites – Registration Handbook

FINANCIAL LITERACY 20 – This course focuses on areas including earning, saving, spending, borrowing, sharing, investing, and protecting. It is an introduction to financial issues and decisions that students may already be facing. It addresses topics such as the purposes of money, the importance of decision making as it applies to finances, information security, budgeting fundamentals, cell phone contracts, maintaining accurate financial records, the concept of interest, and career opportunities in the financial industry.

Prerequisite: None

FINANCIAL LITERACY 30 - The aim of Financial Literacy 30 is to provide students at the Secondary Level with basic skills in financial literacy, develop an awareness and understanding of personal finance and personal economic decision-making, respond to business decisions as informed consumers, and develop work habits, attitudes, problem solving skills and independent thinking skills that will enhance personal and work experiences to develop a positive self-image and essential business attitudes necessary as a consumer.

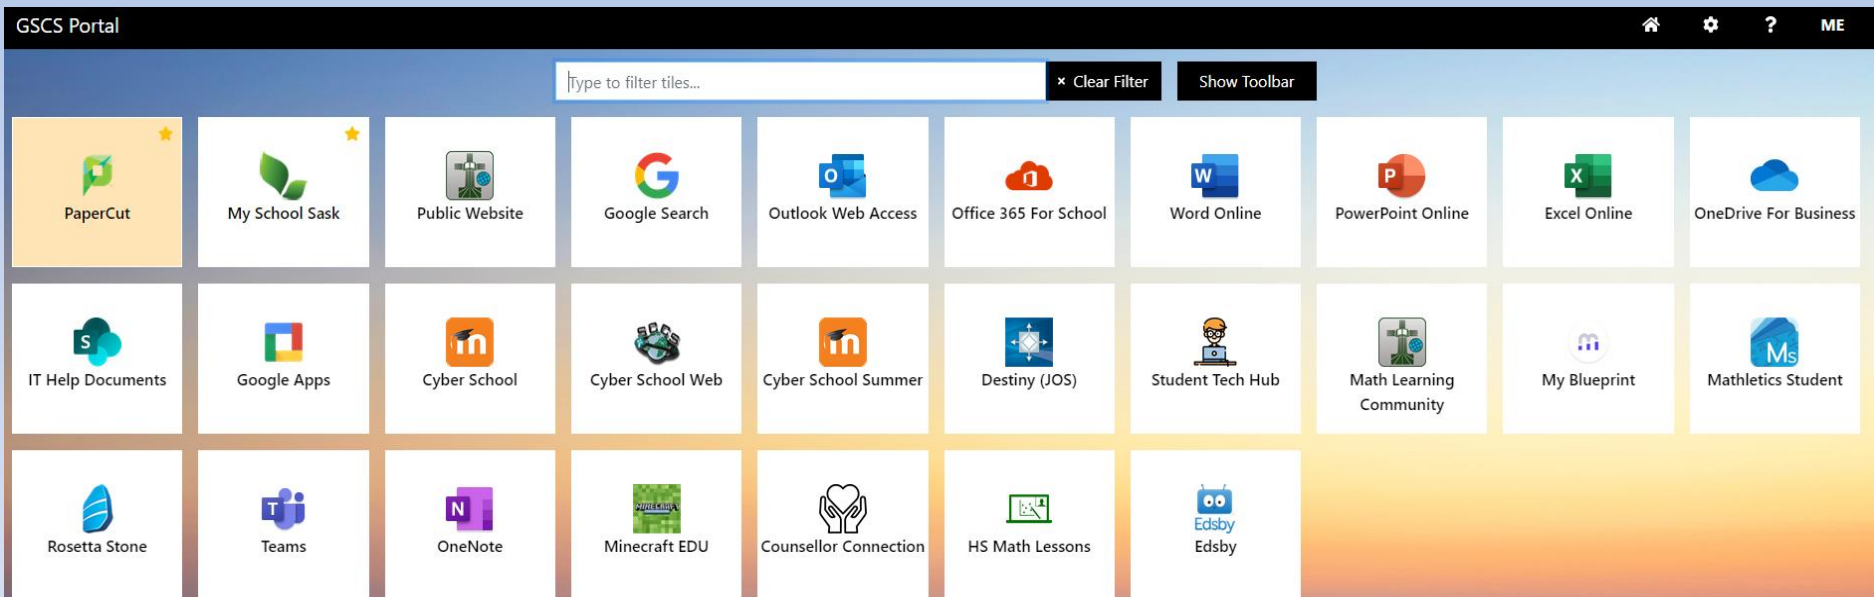

Prerequisite: Financial Literacy 20

GRAPHIC ARTS 20 develops knowledge, skills, and abilities in digital graphic arts. Students will study the elements and principals of design, colour, typography, layout, and concept development, with the option of studying animation. Students will explore graphic arts through hands-on projects and assignments.

Prerequisite: None

Math Pathways

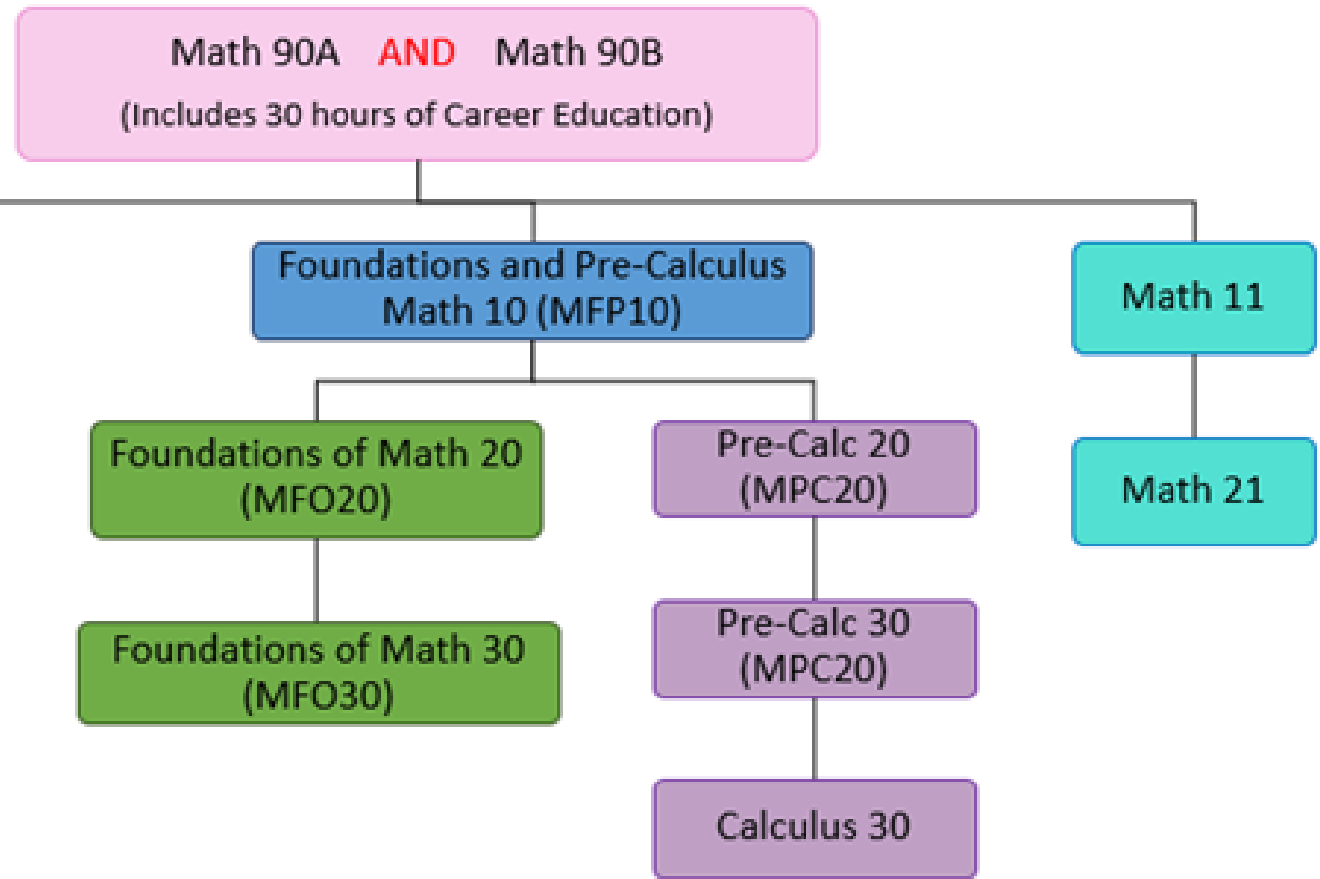

Students choose Math Pathways based on what they believe will best meet their interests and needs after high school.

Workplace & Apprenticeship Math → This pathway is intended for students pursuing careers in the trades & general workplace.

Foundations of Math → This pathway is intended for students who will pursue careers in social science and humanities at post-secondary.

Pre-Calculus → This pathway is intended for students who will pursue careers in math and natural sciences.

Math Pathways

Students cannot jump from one pathway to another.

ie: you can't take Workplace & Apprenticeship Math 10 and then take Foundations of Math 20

Grade 10 Math Options

- **Math Foundations and Pre-Calculus 10 (MFP10) and/or Workplace and Apprenticeship 10 (MWA10)**

Grade 10 Supported Math Option

- Yearlong Foundations of Math and Precalculus 10 is designed for a student who is capable of regular curriculum but benefits from the pace being slowed down. MFP10Y is covered over two semesters.**
- Please discuss with your math teacher, counsellor or administrator if interested in this program.**

Grade 11 Math Option

- **Stretched math is designed for a student who is capable of regular curriculum but benefits from the pace being slowed down. MF020/30S is covered over three semesters.**
- **If you are interested in stretched math talk with your math teacher, guidance counsellor or admin.**

Stretched Math Semester Visual

	Semester 1	Semester 2
Grade 10	MFP10Y (Yearlong)	MFP10Y (Yearlong)
Grade 11	MFO20 and MFO30 over three semesters	MFO20 and MFO30 over three semesters
Grade 12	MFO20 and MFO30 over three semesters	

Advanced Math 10

Grade 9's who are strong in Math skills and are highly motivated, willing to work independently at a quicker pace, persistent in problem solving and prepared to handle greater responsibility.

For more information about the AP program please talk to your Math teacher.

Students will register in MFP10A and MFO20A for next year.

Students who register for the Advanced program will be reviewed by the department.

Advanced Placement

ENGLISH and MATH

Student enrollment will be reviewed on an annual basis.

FRENCH

Recommended by French Immersion teacher in Grade 12 year.

VISUAL ART

If interested, please discuss with the Art teacher. You can choose VAR20A in Grade 11 and both VAR30P and SAR30P in Grade 12.

The Advanced Program

ENGLISH

Grade 10	Grade 11	Grade 12
