

École St. Mother Teresa School Kindergarten School Supply List

Please bring the following supplies **labeled** to the Orientation day.

- 1 pair of Velcro running shoes for daily indoor use. No laces please, even if your child is proficient at tying their shoes. These runners will stay at school all year.
- 1 easy to clean lunch kit for snacks and lunch. This will go home and to school each day.
- 1 large backpack (able to fit lunch kit, water bottle, and 2 library books)
- 1 labeled water bottle that your child can open and close independently.
- 2 changes of clothes in large, labeled Ziploc bags (underwear, pants, shirt, and 2 pairs of socks) to be kept at school in case of an accident such as getting wet on the playground, bathroom, food spills, etc.
- 1 family photograph (4x6) and a wooden picture frame to add to our family wall

We get messy! We are going to be learning through gross-motor and fine-motor sensory experiences. On a daily basis, students will be working with acrylic and water-colour paints, sand, mud, water, shaving cream, food colouring, etc. Clothing will get dirty and stained, so please ensure your child is not dressed in their best clothes.

We spend time outside! We will be learning through building and experiencing our environment. Expect your child to be spending several hours outside daily. Make sure they are dressed appropriately for extended time outdoors.

Part 2 (Please **do not label** these as we classroom share our supplies)
