Happy Easter! It was lovely seeing our students' smiling faces on Monday. It's hard to believe that in 11 short weeks the school year will be over!

We have two months left with our Artist in Residence. At the end of the residency, we will be celebrating our learning with two special events: a Treaty 6 Flag Raising and an Art Exhibit (details to be finalized) on May 29th.

Our students have been learning more about being Treaty people, by learning the Treaty 6 song, sharing land-based knowledge with our cultural advisor, and learning about smudging (Indigenous use of incense). Forms for parental consent will be sent to parents next week to explain smudging and its significance in preparation for this.

Finally, our Gr 8s continue their fundraising for their year-end activities with an Earth Day Bottle Drive on April 22nd. Please consider helping out by dropping off your bottles and cans in the morning. Thank you for your support!

Wishing you every blessing,

*Shelly Lord, Principal
St. Luke School*

St. Luke CSCC

We hope everyone had a wonderful Easter break. Thank you to our school community for your incredible support of the Easter Basket Raffle - your generous donations and volunteer efforts made it a great success. We are pleased to share that half of the proceeds will be donated to one or two local charities.

Our Grade 8 students continue their fundraising efforts for their year-end activities. In celebration of Earth Day, they will be hosting a bottle drive on Wednesday, April 22, from 7:30–9:00 a.m. Drop-off stations will be set up outside the school. Students, staff and community members are encouraged to support the graduating class of 2026 by bringing 10 or more recyclable items. Please refer to the poster on Edsby for additional details.

We also invite you to join us for our next CSCC meeting Tuesday, April 21st at 6:30 p.m. in the school library.

LIONS EYEGLASSES RECYCLE FOR SIGHT

The Lions collect new and gently used eyeglasses in their collection bins. Volunteers sort, clean and determine the prescription strength of the glasses. The refurbished glasses are then distributed through humanitarian missions to developing nations. There is a collection box located in front of the main office.
