At long last, our Artist in Residence, Mrs. Amber Bryans, has joined our community. We want to thank Ms. Mercereau, Mr. Vere, and Ms. Laframboise who have volunteered to sit on our residency committee. Mrs. Cowan and Mme. Brisebois will be the teacher representatives. We will have our inaugural meeting this Wednesday.

We have a few staffing changes. We had to say goodbye to Ms. Osiyemi, as our Educational Assistant hours were cut. Mme. Frey, one of our release teachers, was needed at another school, so we also said goodbye to her. We would like to welcome back Mme Wardrop-Varkonyi who will be replacing Mme. Frey. Mme W-V was here a couple of years to help with French literacy.

We have many fun events coming up, beginning with French Education Week this week. We are doing some special activities to celebrate. Next week is our Spirit Week. It was posted on the River of News, so please check out each day. We are also excited for the Family Bingo Night on Wednesday, February 11th in the gym. Doors open at 6 pm. Proceeds will help pay for replacing the stove in the gym kitchen as well as busing costs for events like our Track Day and Swim Day.

*As we celebrate **School Staff Appreciation Week** next week, I want to take a moment to recognize the incredible team that supports our students each and every day. From the classroom to the playground, from the front office to the Flex Room, our staff goes above and beyond to create a welcoming, caring and engaging learning environment.*

Their dedication, creativity and hard work make our school a place where students feel safe, inspired, and supported. I am deeply grateful for all they do—and I know our families appreciate them too.

Thank you for joining me in celebrating our amazing staff next week. A small note, kind word or gesture of thanks can go a long way in showing them how valued they are.

SafeShip Nursing Program

We're excited to continue growing our SafeShip nursing program and ensuring that every student feels supported and cared for at school. To help us better understand your child's health and learning needs, we'll be sending out a short survey via email soon. Your feedback really helps guide the way we support your children.

Our philosophy is to prioritize building strong, trusting relationships by delivering empathetic and client-centred care in a judgement-free zone.

Thank you from all of us —
Tish, Hayden, Olivia and Anja

LIONS EYEGLASSES RECYCLE FOR SIGHT

The Lions collect new and gently used eyeglasses in their collection bins. Volunteers sort, clean and determine the prescription strength of the glasses.
