

GOLDEN RULE – BEFORE & AFTER SCHOOL PROGRAM

Greetings St. Kateri families,

Summer is upon us!

This document contains information on registering for the Before and After School program for the 2026–2027 school year. Please review this information carefully as we have made a few administrative changes, including where to send payments. Our fees remain the same.

- Program Hours: The program opens at 7:00 AM each school day and runs until as late as 6:00 PM.
- Cost of Care: The rate is \$5.25 per child per hour, with a maximum charge of \$10.50 per hour per family. There is a one-hour minimum charge for each morning and afternoon. After the first hour, care is billed to the nearest minute.
- Flexibility: Care can be full-time, part-time, or drop-in.
- Invoicing: Families receive an invoice at the end of each month via email for time used.
- Deadlines & Late Fees: Invoices are due by the 15th of the same month. All instructions and deadlines are included on the invoice. A \$5.00 per day late fee will be added to the following month's invoice if payment arrangements have not been made.
- Tax Receipts: Receipts are issued and sent out upon request at the end of February.

Registration Information

Registration will take place online only. Your child(ren) must be pre-registered before attending the program. Registration is only complete once the \$50.00 per family yearly registration fee is paid in full via EFT. Please e-transfer this fee to goldenrulesaskatoonpayment@gmail.com. If you were previously registered in our program, please note that you still need to re-register each school year.

Important Dates

The first full day of school is Thursday, September 3. The program will run both before and after school on this day. Please note that the program will NOT run on the first half-day, Wednesday, September 2. Again, your child(ren) must be registered and the registration fee paid before they can attend. Your account must also be up to date and in good standing.

Kindergarten Students: Kindergarten students may start the program AFTER their staggered start is complete. Your child's Kindergarten teacher will inform you of those specific staggered start details.

Contact & Support

We will continue to use our direct line if you need to send an updated schedule or get a hold of your child(ren) while they are at the program. That number is 639-480-5589 (text message is preferred). This number is for parents and caregivers of registered patrons only. Not for program information.
