

Holy Cross Online Course Selection Instructions

2026-2027 School Year

Online Course Selection closes on Friday, February 27th, 2026, at midnight.

- If you are not returning to Holy Cross next fall, please see an administrator ASAP.
- The following items to help with your registration process are posted under the 'Registration' tab on the school website - www.gscs.ca/hch
 1. **Registration Power Point (for review)** – be sure to access the PPT for your 26-27 grade level.
 2. **Holy Cross Registration Handbook** – to check course descriptions and prerequisites for the courses you select.
 3. **Registration Credit Requirements Document** – for reference; outlines required classes and electives available at each grade level.
 4. **Advanced Programming & Advanced Placement Courses Power Point** – for students interested in Holy Cross Advanced Placement programs.

Reminders:

Online registration is not the timetable – it is just a list of classes you have chosen.

You are responsible for having the prerequisite course – the Ministry of Education WILL NOT give you course credit if you have not completed the prerequisite. Be sure to access the Holy Cross Registration Handbook to check prerequisites for courses.

To Register for Classes:

1. Log on to the GSCS web portal: <https://portal.gscs.ca/>
2. Click on the **My School Sask (MSS)** icon.

3. In MSS, enter your regular school username (student number) and password.

4. Click on **MY INFO TOP TAB** then click on the **REQUESTS SIDE TAB**.

5. Read the Registration Instructions.

Instructions

Welcome to your course selection for Grade 11.

We recommend that all Grade 11 students have 10 course selections unless you are taking a stretched Math option which counts as 2 classes as it takes up two spots in your timetable, one in each semester.

Compulsory classes that you are required to take in Grade 11 are the following:

- 1) Catholic Studies 20
- 2) English A20
- 3) History 20 or Indigenous Studies 20
- 4) A 20 Level Math (Math Foundations 20, or Math Precalculus 20, or Work and Apprenticeship Math 20)
- 5) A 20 Level Science (Health Science 20, or Physical Science 20, or Environmental Science 20)
- 6) Add 5 elective courses

It is the student's responsibility to ensure they have the pre-requisite to register for the next level course or the credit cannot be granted. Please refer to the Registration Handbook for pre-requisite information.

For a more complete description of the courses available to you, go to St. Joseph Homepage at www.gscs.ca/stj, and click the Registration Booklet under the Registration tab.

10. In addition to the course selections that have been recommended at each grade level, we are requiring all students to select up to three 'Back Up Classes' as part of their registration process. These Back Up Classes will be selected under the 'Alternate requests' section (below at bottom) and will be used to replace an elective class in the case that one of your initial elective selections is not offered based on low enrollment, or you are not able to be scheduled for an elective that you selected. You can prioritize these as #1-3.
