

Statement of Policy

Volunteerism is an opportunity for students to earn a credit that may be used to fulfill elective requirements for graduation. Credit may be provided to a student who is enrolled in a regular 24 credit program who has submitted a volunteerism plan approved by the principal for 100 hours of volunteering through community service.

Rationale

Volunteerism 30 credit may be provided to recognize students who commit to actively participating in supporting and strengthening their communities by donating 100 hours of their personal time to work at community activities. Hours logged during community service activities may take place in a variety of settings, including parishes, businesses, not-for-profit organizations, public sector institutions (including hospitals and care facilities) and informal settings.

Definitions

Community Service Activities - refers to organized activities led by businesses, not-for-profit organizations, public sector institutions (including schools, parishes, hospitals, long-term care facilities and childcare facilities), and informal settings that contribute to the health of the community and broader society.

Volunteer - refers to someone who gives their time in support of helping others with no expectation of gain or material benefit in return.

Volunteerism - refers to the act of volunteering through community service activities. Volunteerism enhances the well-being of self and others while providing meaningful service to the individual, organization and community. Volunteerism can assist students in building pathways to the workforce; it is another form of applied learning and work exposure that supports career decision making while providing a context for learning.

Guiding Principles

1. To earn a volunteerism credit, the student must be enrolled in a regular 24 credit program in a high school within Greater Saskatoon Catholic Schools.
2. Volunteerism hours must be completed in Grades 10 to 12.

3. To enroll in the volunteerism credit, the student is required to submit a personalized learning plan to the school administration, using the *Volunteerism Plan Template*.

All volunteerism credits are to be submitted to the ministry using Form 8.1 Secondary Level Non-Academic Course – New Mark Addition accompanied by a copy of the student's completed *Volunteerism 30 Plan* and *Student Log* templates.
8. Schools shall establish procedures to communicate to parents/guardians and students the availability, the administrative procedure or policy requirements for credit attainment for volunteerism.
9. The school shall retain a copy of the volunteerism plan and log and supporting documentation on file for a minimum of five years. All proposals are subject to ministry auditing.
10. This policy is not applicable to the Adult 12 program requirements.

8. The community service organization will sign the student's *Volunteerism 30 Plan Template* and Hour Log.
9. The principal will ensure the policy is followed, approve and validate that the volunteer hours are related to community service,
10. The principal will sign off on final mark and submit a copy of the completed plan/proposal and hour log as per Form 8.1 Secondary Level Non-Academic Courses New Mark Addition.
11. The school will keep the documentation on file for five years.

Appendix B: Volunteerism 30 Credit – Questions and Answers

1. What is a Volunteerism 30 credit?

The Volunteerism 30 credit recognizes students who commit to actively participating in supporting and strengthening their communities by donating 100 hours of their personal time to work at community activities. Hours logged during community service activities may take place in a variety of settings, including businesses, not-for-profit organizations, public sector institutions (including hospitals and care facilities) and informal settings.

2. Can a student be paid for volunteerism by the organization?

Students will not be paid for performing any community involvement activity. However, an honorarium may be accepted.

3. Is a program itself (e.g., hockey, dance, drama, etc.) grounds for a volunteerism credit?

No, personal recreational activities are ineligible. Refer to Appendix B: Ineligible Volunteerism Activities.

4. Can a student volunteer in school based activities?

Yes, a student who works on the yearbook, referees sports for no pay, spends time assisting teachers (e.g., a high school student might help an elementary teacher with laminating, copying, decorating, etc.) or running the canteen are acceptable school based activities.

5. What does the plan look like?

Refer to the *Volunteerism 30 Plan Template*.

6. What are the deadlines?

The *Volunteerism 30 Plan Template* must be completed and approved by the principal prior to the student beginning the project. Any other timelines are determined locally.

7. Who assumes the responsibility and liability of the student in the unlikely event of an accident or death?

It is recommended that the Education Organization clarifies this with the Saskatchewan School Boards Association lawyers or other entity.

8. What do we mean by 100 hours of volunteerism for credit recognition?

100 hours of volunteerism = 1 credit. The expected start and completion dates and an outline of how the required amount of time (100 hours) must be clearly outlined in the plan, recorded on the Student Log and submitted to credit.transfer@gov.sk.ca to receive the credit.

9. Is there a timeline framework to complete a volunteerism credit? Does it have to be completed within the school calendar year, or can it flow over the course of three academic years, or be completed in part during summer/holiday months?

There is no time limit, however, students must be enrolled in the Saskatchewan school in Grade 10, 11 or 12. The timeline should be identified in the *Volunteerism Plan Template*. Any adjustments to the timeline must be recorded on the proposal for future reference and auditing.

10. Does a supervising teacher have to complete and keep a log regarding the monitoring process/communications?

Refer to [Appendix A: Volunteerism Roles and Responsibilities](#).

11. Can a volunteerism credit be used to complete under the Adult 12 program?

No, adult 12 program learners are to be directed to the Prior Learning 30 credit option.

12. How is a volunteerism final mark record of Standing Granted (SG) submitted to the Ministry of Education Student Data System?

For volunteerism, submit a copy of the completed plan/proposal and hour log as per [Form 8.1 Secondary Level Non-Academic Courses New Mark Addition](#).

A final mark of SG will be awarded and appear on the student's official *Transcript of Secondary Level Achievement*.
