

Holy Family School Song

Holy Family School.....It's a place, a place for everybody

Holy Family SchoolWhere everyone has a place, a place in God's family...

Holy Family School.....It's a place, a place for everybody

Holy Family SchoolWhere everyone has a place, a place in God's family.

We will welcome those who fill our hallways

We will always be thankful

For the gift of God's Holy Family

For the joy in our hearts!

Holy Family School....It's a place, a place for everybody

Holy Family School....Where everyone has a place, a place in God's family.....

Holy Family School....It's a place, a place for everybody

Holy Family School....Where everyone has a place, where everyone has a place,

A place in God's family! Yeah!
