

Orientation Day Information

Below is a schedule for the beginning of our Kindergarten year. The Greater Catholic School Division has designated three days of Orientation. During this time, we will be meeting in small groups. These Orientation days are a wonderful opportunity for the students to get to know me and some of their classmates in a smaller group. We will be using this time to get to know each other and some of our class routines.

We are scheduled to have a very short visit for all students on Thursday, September 3rd. If a parent would like to stay for this visit, you are welcome to join us in the class. But please know that it is not necessary for you to stay with us for this time. We will have two full days with only half of the students coming for each of these days. Your child will come for either Tuesday, September 8th or Thursday September 10th. The students will need a snack on the full days of school. Students are welcome to go home for lunch if you would like but you can send a lunch with them and there will be supervision at school for lunch in the classroom.

We will begin our regular Kindergarten schedule on Friday, September 11. All students will come from 9:00-3:30.

I am sending home this tentative schedule for our Orientation Days. Please let me know if your scheduled orientation times do not work for you and we will do our best to make the necessary changes.

I am very excited to start our new school year together!

Thank You!

Carla Thorson
