

Procedures for Board Member Remuneration and Expense

The Board of Education may remunerate trustees in accordance with a trustee remuneration and expense schedule which shall be established annually as directed by the board at the Organizational Meeting of the Board.

1. Principles

The Board of Education believes that the role of trustee is one of service to the community.

The board acknowledges that in serving the community, personal expense is incurred.

2. The Rates

The rates established in the Trustee Remuneration and Expense Schedule are to reflect the fiscal circumstances in the school division and in the Province of Saskatchewan.

3. The Schedule

The Trustee Remuneration and Expense Schedule may recognize service and expenses incurred by the board and shall be reviewed annually.
